

Notice of Exhibit at ELECTRIC VEHICLE ASIA (EVA) 2023

Nikkei Siam Aluminium Limited ("NSA") will participate in "ELECTRIC VEHICLE ASIA (EVA) 2023".

This is one of the largest EV-related product exhibitions in Bangkok, Thailand, where various EV-related businesses will exhibit their products. Thailand is making a national effort to attract EV-related businesses as a pillar of its next-generation industry, and is expected to play a leading role in the ASEAN region, where EVs are rapidly spreading.

Heat Exchanger division and Sheet division of NSA will be exhibiting the following EV-related products for the purpose of business development for the future.

We hope you will take this opportunity to visit the exhibition and we look forward to seeing you there.
