

Nikkei Siam Aluminium Limited

Notice of Exhibit at ELECTRIC VEHICLE ASIA (EVA) 2024

Nikkei Siam Aluminium Limited ("NSA") will participate in "ELECTRIC VEHICLE ASIA (EVA) 2024".

This is one of the largest EV-related product exhibitions in Bangkok, Thailand, where various EV-related businesses will exhibit their products. Thailand is making a national effort to attract EV-related businesses as a pillar of its next-generation industry, and is expected to play a leading role in the ASEAN region, where EVs are rapidly spreading.

As in previous years, the Heat Exchanger division and Sheet division of NSA will be exhibiting the following EV-related products, with the aim of developing business for the future.

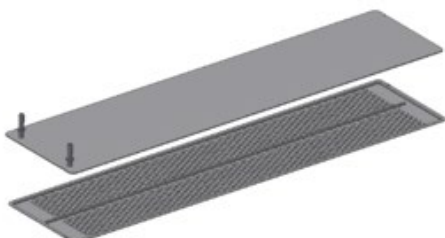

We hope you will take this opportunity to visit the exhibition and we look forward to seeing you there.
